

# Membership Plans

At Cat's Whiskers we believe in a proactive, preventative approach to your cat's healthcare. We know how important your cat's health is to you and we want to help you keep them happy and healthy for longer.

Our membership plans make it easy for you to protect your cat against preventable diseases and discomfort by making sure your cat's vaccinations, parasite control and general health checks are all up to date. Regular check-ups and early diagnosis of any potential health issues will help your cat enjoy a long, comfortable life, whilst saving you money and worry too.

Our membership plans are **NOT** insurance. They are a simple and affordable way to get all of the preventive care that our clinic recommends for your cat. However young or old your cat, our membership plans can be adapted to suit your cat's needs.

## The Plans

There are 3 plans to choose from: Gold, Silver and Bronze, with added Dental and MOT plans if required.

- 🐾 Suitable for the high maintenance feline who enjoys a little extra pampering and care
- 🐾 Also suitable for kittens who need lots of contact with the veterinary team to nurture their development
- 🐾 Annual health check with a vet (10 point nose to tail examination)
- 🐾 Vaccination booster (cat flu, enteritis, and FeLV) – primary vaccination course if needed
- 🐾 Unlimited health checks with a nurse (nutritional advice, behaviour advice, dental checks, general cat care advice)
- 🐾 Kitten weight and development checks every 3 months
- 🐾 Weight watchers (monthly if required)
- 🐾 Year round flea, worm and parasite treatment
- 🐾 Microchip implant
- 🐾 Unlimited grooming including nail trim

- ❧ Suitable for the bird enthusiast and rodent controller and any other cat whose outdoor hobbies result in unwanted visitors such as fleas and ticks
  - ❧ Annual health check with a vet (10 point nose to tail examination)
  - ❧ Vaccination booster (cat flu, enteritis and FeLV)
  - ❧ 1 x health check with a nurse (nutritional advice, behaviour advice, dental check, general cat care advice)
  - ❧ Year round flea, worm and parasite treatment
- 

- ❧ Suitable for the lap cat and sleeping enthusiast
  - ❧ Annual health check with a vet, includes 1 x dose flea and worm treatment (10 point nose to tail examination)
  - ❧ Vaccination booster (cat flu and enteritis)
  - ❧ 1 x health check with a nurse, includes 1 x dose flea and worm treatment (nutritional advice, behaviour advice, dental check, general cat care advice)
- 

- ❧ **Dental Premium £15 pm** – includes a full scale and polish of teeth under anaesthetic to help keep your cat's teeth and gums clean and healthy and a full mouth digital dental x-ray examination to check the health of teeth and their roots
- ❧ **M.O.T Premium £11pm** – includes an annual urine analysis, blood screen and blood pressure check. This is recommended to screen for and diagnose, liver and kidney diseases, diabetes mellitus and hyperthyroidism; and to assess red and white blood cells as well as other important blood components which may be an indication of disease. A blood pressure check is used to diagnose high blood pressure which is a common problem in older cats who may not display any symptoms. Urine analysis screens for diabetes mellitus, liver and kidney diseases.
