- You will be informed, on request of the price of any medicine that may be dispensed for your animal

### Pet Insurance

- Processing fee for pet insurance claims is from £10.00 - this is when the full cost of treatment has been paid for initially by the client and then Cat's Whiskers process the subsequent pet insurance claim on behalf of the client
- Processing fee for **direct** pet insurance claims is £30.00 – this is an optional service when the treatment has exceeded £750 and the client opts to pay the policy excess only, directly to Cat's Whiskers and the remainder of the claim is claimed direct from the insurer to pay Cat's Whiskers. **Disclaimer:** the client remains liable for payment in full if the insurance company does not accept the claim
